

Montefiore Investment appoints Henri TOPIOL as Partner

Paris, February 12, 2018 – Montefiore Investment, the investment firm specializing in French service SMEs, is pleased to announce the nomination of Henri Topiol as new Partner of the firm. Henri's new position accompanies the growth of Montefiore Investment, with assets under management now exceeding €1bn.

Henri TOPIOL, 40, has 17 years of experience in services and investment sectors.

He is a graduate of HEC and holds a master's in public administration from the Institut d'Etudes Politiques de Paris. Henri started his career in 2001 as a consultant at McKinsey, where he worked on numerous strategic and operational assignments for services companies and retailers.

He then held different positions within the LVMH Group, in Asia and in France, before joining L Capital in 2008 as an Investment Manager, where he invested in consumer goods and retail, and was in charge of monitoring portfolio companies.

Henri joined Montefiore Investment in 2012. He has notably been involved in B2C deals such as Isabel Marant, and B2B transactions (BVA, Evariste, Alphy).

About Montefiore Investment
